PRODUCT DETAILS

Blender Bottle® Halex™

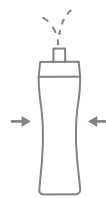

It's Not What You Think

Like a traditional sports bottle, you can tilt Halex™ and swig. Unlike any other squeeze bottle on the market, you don't have to. Our innovative new design lets you drink with the bottle held vertically, keeping your eyes on the road and your head in the game. With the OmniFlow™ 3-mode selector, the nozzle switches smoothly between traditional, vertical, and locked. Triple-wall insulation, a flexible carry loop, and easy-cleaning access help make Halex your new must-have for hydration on the go.

PERFECT FOR

- Cycling
- Running
- Cardio

BOTTLE BRUSH

Clean Tastes Better

Tackle stubborn residue left over in your bottles and cups with our new 2-in-1 Bottle Brush. The larger brush helps you deep clean those hard to reach places in your bottle, while a flexible mini brush scrubs tough-to-clean straws and spouts. The non-slip grip, twist-on integrated straw/spout cleaner, and convenient hanging loop make this brush a cinch to use so your bottles can deliver flawless flavor from one drink to the next.

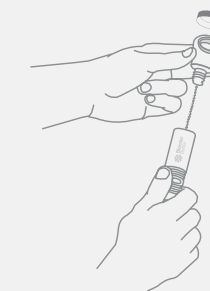

Bottle Brush

Includes: Bottle Brush, Flexible Mini Brush

Twist-Off Mini Brush

- The loop at the bottom of the Bottle Brush handle twists on and off to provide a mini brush that is concealed.
